Pre-Conference Workshop

Day 1

FRIDAY

17/11/2017

Time	Title	Speaker
Workshop 1: Reviv Course- Lazourd Hall		
0900-1030	Paediatrics Review (SAE and OITE Questions)	M. Alosaimi
1030-1200	Trauma Concepts Review (SAE and OITE Questions)	H. Sulaimani
1200-1400	Friday (Jummah) Prayer	
1400-1530	Spine Review (SAE and OITE Questions)	M. Khashab
1530-1700	Foot & Ankle review (SAE and OITE Questions)	J. Lau -CAN
1700-1830	Oncology review (SAE and OITE Questions)	F. Alsayegh
1830-2000	Arthroplasty Review (SAE and OITE Questions)	A.aziz AlMaawi
2000-2130	Wrist & Hand Review (SAE and OITE Questions)	A. Hamed AlYossef

From 14:00 to 17:00

Workshop 2	AO Trauma the armament of orthopaedic surgeon	AlNawar 1
Workshop 3	Arthroplasty (Hip & Knee) Ask the Expert	Sohba 1
Workshop 4	Petrocentric fractures workshop	Sohba 2
Workshop 5	All in one Pain management / Chronic Pain and Musculoskeletal Intervention	Lazourd

Arthroplasty

Day 1 SATURDAY

18/11/2017

Time	Title	Speaker
Session 1 (Perioperative care) / Chairpersons : A. Alyami / H. AlSaggaf		
08:30-08:50	Modifying risk factors: obesity, diabetes, nicotine, and malnutrition	A.Rahman. Alqarni
08:50-09:10	End stage hemophilic arthropathy : The journey to total knee replacement	H. Darwish
09:10-09:30	Update on anesthetic and analgesic approaches of lower limb arthroplasty	A. Alattas
09:30-09:50	VTE prophylaxis modality and the use of mechanical compression devices.	M.Manzari
09:50-10:05	Break	

Session 2 / Chairpersons : A. Hamdy / G. AlQahtani		
10:05-10:25	History overview and choice of implant in TKA	A. Ghandour
10:25-10:45	Kinematic Alignment in Total Knee Arthroplasty	A. Al Maawai
10:45-11:05	Management of patient expectations after TKA	A. Alboloshi
11:05-11:25	Cementless TKA: concepts & clinical outcomes	A.Rahman. Alqarni

11:25-11:30	Q & A	
11:30-12:00	Opening Ceremony	
12:00-12:30	Robotic surgery - New benchmark in knee arthroplasty	B. Beksac - IND
12:30-13:00	Break	

Time	Title	Speaker
Session 3 : Oral Presentation / Chairpersons : S. Al Thani / K. Koshhal		
13:00-13:10	Egyptian Community Arthroplasty Register: 10-Year Outcome	M. Hafez - EGY
13:10-13:20	Relationship Between Radiographic Grading of Knee Osteoarthritis and Functional Limitation in Elderly Patients	Z. Khired
13:20-13:30	Periprosthetic Fractures After (TKA)	A.El Din El Zoheiry
13:30-13:40	Optimised Conventional Technique is as Accurate as Navigation for Distal Femur Resection During TKA	A. Khalifa
13:40-13:50	Surgical site infection in TKA	R. Ansari
13:50-14:00	Stem Cell Therapy for Avascular necrosis of Femoral Head in Sickle cell disease	S. Ali
14:00-14:10	Patient-Specific Templates for Bilateral Simultaneous TKA in Patients with Severe Articular Deformities	M. Hafez
14:10-14:20	Indications of Blood Transfusion Following TKA	R. Alghofaili
14:20-14:30	Out-Patient Total Hip Replacement	H. Alyousif

14:30-14:50	Orthopedic Research Challenges at KSA- Journal of Musculoskeletal Surgery & Research	K. Khoshhal
14:50-15:10	ρ Cross Fire / All poly tibia M. Manzary (Affirmative) Vs F. Alsayegh (Opposition)	O. Arafa
15:10-15:40	Break	

Session : Knee (primary) / Chairpersons : W. Kaawash / A. Rahman AlQarni		
15:40-16:00	How to achieve maximum flexion after TKA	A. Alboloshi
16:00-16:20	Social Media and surgeon-patient relationship	T. Jastinia
16:20-16:40	Enhance recovery program after joint replacement	A. Alattas
16:40-17:00	EMR that actually works for Orthopedic	A. Hijazi
17:00-17:20	Q & A	All Faculties
17:20	Closing & Lunch	

Day 2**SUNDAY****19/11/2017**

Time	Title	Speaker
Session 1: Knee (Revision) / Chairpersons : A. Al-turki / M. Abbas		
08:30-08:50	Why do knee (TKA) fails?	F. Alsayegh
08:50-09:10	Stiffness after TKA	B. Alenazi
09:10-09:30	Painful TKA: Workup & Differential diagnosis	W. Abudrahman
09:30-09:50	Periprosthetic fractures around the knee, evaluation and management	A. Alturki
09:50-10:10	Tibial Crest Osteotomy in Extensile knee Exposure- Modified technique	A. Ghandour
10:10-10:30	Treatment of periprosthetic joint infection in a national bone infection unit.	D. Whitwell - UK
10:30-10:50	Break	
10:50-11:10	Robotic TKA - A precised approach to improve patient outcome	N. Vaidya
11:10-11:30	Tips & Tricks for TKA implant removal	H. Darwish
11:30-11:50	Update on management of periprosthetic knee infection	A. Alboloshi
11:50-12:10	Single stage revision for infected TKA, When and Why?	A. Ghandour
12:10-12:30	Treatment of severe bone loss around the knee following trauma modern general implantation	D. Whitwell - UK
12:30-13:20	Break	

Session 2: Oral Presentation / Chairpersons : D. Whitwell/ K. Batarjee		
13:20-13:30	Quality of Life in Sickle Cell Patients After Cementless Total Hip Arthroplasty.	S. Ali
13:30-13:40	Planning of Complex Total Hip Arthroplasty, Including Cases of Pelvic Discontinuity	M. Hafez - EGY
13:40-13:50	Windswept Deformities - An Indication to Individualise Valgus Correction Angle During Total Knee Arthroplasty	A. Khalifa

Time	Title	Speaker
Session 4: Hip (Primary) / Chairpersons : H. Eitani / A. Bafail		
13:50-14:10	Cross Fire / Patellar resurfacing: affirmative (by Dr.A.Alboloshi) Vs Opposition (by Dr.A.Alturki)	H. Darwish
14:10-14:20	Templating in THA - techniques and tips	D.Williams - CAN
14:20-14:40	Surgical Approaches to THA, Anterior, Direct lateral and Posteriorlateral	G.Alqahtani
14:40:15:00	Primary THA, Sickle cell disease (SCD)	M.Alotaibi
15:00-15:20	Q & A	All Faculty
15:20-15:45	Break	

Session 1: Hip (Complex Primary and Revision) / Chairpersons : M.Khashab / B. AlEnazi		
15:45-16:05	The Modular Tapered fluted design, the workhorse for Revision THA	M. Manzari
16:05-16:25	Dual Mobility THA	A. Alghamdi
16:25-16:45	Management of periprosthetic fracture around hip implant	M. Manzari
16:45-17:05	Post traumatic arthroplasty - You can never go back.	D. Willimas - CAN
17:05-17:25	Revision THA: removal of well fixed implant	A. Alghamdi
17:25-17:40	Q & A	All
17:40	Closing	

Day 3**MONDAY****20/11/2017**

Time	Title	Speaker
Session 2: Hip (Complex Primary and revision) / Chairpersons : S. Alnoor / F. Abdeen		
09:00-09:20	Biological reconstructions in orthopaedic oncology	D. Whitwell - UK
09:20-09:40	Primary THA for a dysplastic hip	O. Arafa
09:40-10:00	Hip Abductor Deficiency in THA - restoration with muscle transfers	D. Willimas - CAN
10:00-10:20	Break	
10:20-10:40	"Treatment of severe bone loss around the hip following trauma modern generation implants"	D. Whitwell - UK
10:40-11:00	Management of Infected THA in 2017 - Where Do We Stand Now?	N. Hamza
11:00-11:20	THA after acetabular fracture	A. Alturki
11:20-11:40	Treatment of severe bone loss around the hip with modern generation implants.	D. Whitwell - UK
11:40-12:00	Q & A	All Faculties
12:20-13:00	Break	

Oral Presentation / Chairpersons : A. Ghandour / O. Arafa		
--	--	--

13:00-13:10	Factors Influencing Surgeons Double Gloving Practice	R. AlUehani
13:10-13:20	Assessment of the Awareness among Females in Saudi Arabia about the Relationship of Swaddling to DDH	R. AlAhmdi

Trauma

Day 1 SATURDAY

18/11/2017

Lazour Hall

Time	Title	Speaker
Session 1 / Chairpersons : N. Alammari / H.Almusaabi		
08:30-08:50	Surgical Fixation of Midshaft Clavicular Fractures: When & Why?	W.Ashraf - IND
08:50-09:10	Operative treatment of scapula fractures	M.Sen - CAN
09:10-09:30	Fractures of proximal Humerus,, Fix or Replace	A. Bahlool
09:30-09:50	Humerus shaft fractures - introduction and plating technique	T.Tufescu - CAN
09:50-10:10	Distal humerus fractures -indications and fixation	S.Altamimy
10:10-10:30	Break	All

Session 2 / Chairpersons : K. Alghamdi / M.AlShouli		
10:30-10:50	Nonunion and Malunion of the Distal Humerus.	M.Sen - CAN
10:50-11:10	Terrible triade of the elbow	W.Aldebeyan
11:10-11:30	Distal Radius Fractures: Tips and Tricks	M.Sen - CAN
11:30-12:00	Opening Ceramony	
12:00-12:10	Q & A	All Faculty
12:10-12:40	Case Discussion ..Upper extremity	All Faculty
12:40-13:20	Break	

Session 3 / Chairpersons : H. AlSulaimani / A.hakeem AlQarni		
13:20-13:35	Distally Based Suralis Fasciocutaneous Flap in the Armamentarium of the Orthopaedic Trauma Surgeon	M.Alotaibi
13:35-13:50	Orthopedic Research Challenges at KSA- Journal of Musculoskeletal Surgery & Research Tertiary Center	K. Khoshhal
13:50-14:05	Massive gathering experience and local disaster (Makkah)	A.Alamoudi
14:05-14:25	EMR that actually works for Orthopedic	A.Hijazi
14:25-14:45	Social Media and surgeon-patient relationship	T.Justinia
14:45-15:00	Q & A	

Time	Title	Speaker
Session 4 : Oral Presentation / Chairpersons : A. Alhaizaey / A. Labban		
15:00-15:10	Management of Acute Dislocation of Acromioclavicular Joint With Hook Plate, A Functional Outcome Study	S.Soomro - PAK
15:10-15:20	Management of Fractures in Children by Elastic Nails	I.Aburub
15:20-15:30	The Liverpool Ortho-Plastic Model	A.EL Gawad
15:30-16:00	Break	
16:00-16:10	Transverse patella fractures, Crossing screws technique	A.Wahab Al-Zahrani
16:10-16:20	Our Experience in War Opens Fracture (Open Graft-Papineau) in Syria	G. Kaadan
16:20-16:30	Understanding Chronic Pain: Are we missing the mark?	R. El khoury
16:30-16:40	Complex Regional Pain Syndrome (CRPS) In Paediatrics	A. Saleh
16:40-16:50	Genetic Markers for Idiopathic Scoliosis among Saudi Arabian Girls	S.Ali
16:50-17:00	Humeral Shaft Fracture Fixation By TENS	S.HASAN
17:00	Lunch and Closing Day 1	

Day 2**SUNDAY****19/11/2017****Lazourd Hall**

Time	Title	Speaker
Session 1 / Chairpersons : A. Alfaify / A. Alamoudi		
09:00-09:15	Tibial plateau fractures evaluation / 3D column theory	A.Alhaizaey
09:15-09:30	Postero Medial Fragment in Proximal Tibial Fractures: How to Manage?	W.Ashraf - IND
09:30-09:45	Proximal and distal tibial nailing	M.Sen - CAN
09:45-10:00	Tibial plafond fractures	J.Lau - CAN
10:00-10:15	Soft Tissue Management in High Energy Orthopedic Trauma	M.Sen - CAN
10:15-10:30	Q & A	
10:30-10:50	Break	
10:50-11:10	Achilles Tendon Rupture: Acute and Chronic repair	J.Lau - CAN
11:10-11:40	The Management of large bone defects	T.Tufescu - CAN
11:40-12:00	Calcaneal fractures; Fix or not ? where is the evidence ?	J.Lau - CAN
12:00-12:20	Q & A	
12:20-13:00	Break	

Session 2 / Chairpersons : K. AlZahrani / A. AlHadrawi		
13:00-13:20	Midfoot fractures	T.Tufescu - CAN
13:20-13:40	Charcot Ankle Management	J.Lau - CAN
13:40-14:00	When a picture is not worth a thousand words - The value of post-op X-ray	T.Tufescu - CAN
14:00-14:20	Posterior Malleolus Ankle fractures	J.Lau - CAN
14:20-14:40	Q & A	All Facutly
14:40-15:00	Case Discussion	All Facutly
15:00-15:20	Q & A	
15:20-15:45	Break	

Session 3 : Oral Presentation / Chairpersons : W. Azzazi / A. AlZahrani

15:45-15:55	Patterns and Outcome of Anterior Cruciate Ligament Injury and Repair	A. Albassam
15:55-16:05	Outcome Of Conservative Management Of Distal Radius Fracture in Elderly Patients	A. Eltahir
16:05-16:15	New Concept of Biological Fixation of Mid-Distal Humeral Shaft Fractures	M. Hanna
16:15-16:25	Lower limb pathological fractures : managment outlines	Emad AlAbsi
14:25-14:35	Ankle fracture . How would you treat this fracture based on the preoperative radiographs alone ?	M. ZAHIR
16:35-16:45	Complex Tibial Plateau Fracture	Hany Elsayed
16:45-17:55	Percutaneous fixation of SI joint dislocation and sacral fractures	N. Dakar
17:05-17:15	Review of MRI wrist results at KAUH	F. Aldhafiri
17:15	Lunch and Clsoing Day 2	

Day 3**MONDAY****20/11/2017****Lazourd Hall**

Time	Title	Speaker
Session 1 / Chairpersons. S. Altamimy / A. Al-Shaikh		
09:00-09:20	Management of delayed presentation of acetabular fractures	W.Ashraf - IND
09:20-09:40	Infection complications in open fractures	N. Hamzah
09:40-10:00	Management of femoral head fractures	W.Ashraf - IND
10:00-10:20	Intertrochanteric fractures of the hip – plating vs. nailing	T.Tufescu - CAN
10:20-10:40	Break	
10:40-11:00	Subtrochanteric fractures reduction techniques	A.Alzahrani
11:00-11:20	Distal femur fractures ,tips and tricks	H.Alsulaimany
11:20-11:40	Femoral malrotation after IM nailing – A meta-analysis	T.Tufescu - CAN
11:40-12:00	Q & A/ Case Discussion	All
12:00-12:20	Ultrasound for office based pain management procedures	T.Nassar
12:20-13:00	Break	

Session 2 / Chairpersons : A. Alahmari / A. Alothman		
13:00-13:20	Periprosthetic fractures around a THR: Repair or Replace?	W.Ashraf - IND
13:20-13:40	Osteoporotic fractures around the knee – Techniques and Results	T.Tufescu - CAN
13:40-14:10	Q & A	All

Session 4: Oral Presentation / Chairpersons : H. AlZamil / M. Al-Shehri		
14:10-14:20	Does timing of surgery in open fractures affects infection rate ?	I.Aburub
14:20-14:30	Antegrade Vs. Retrograde MIPPO For Distal Tibia Fractures, A prospective randomized comparative study	A. Wahab Al-Zahrani
14:30-14:40	Upper limb pathological fractures ,management outlines	E. AlAbsi
14:40	Closing
